## COUNCIL

### Favorable to Settling Riot Claims.

The resolution to reimburse losers by the riot, on a basis of \$7,500, seems to meet with the approval of Councilmen, as well as the City Commissioners.

It came before Council Monday night, recommended by the Board for passage, but was referred to the Finance committee for consideration. This was in accordance with a rule adopted by Council when it was organized, that ordinances and resolutions to pay out money should not be passed on the same night they were presented.

However, the Councilmen seem to regard \$7,500 as a very reasonable basis upon which to settle the claims. This would pay claimants about 15 per cent. of their losses, and obviate a great deal of litigation which would follow in case the city made no overtures for settlement.

The resolution will probably be voted on at the adjourned meeting next Monday night.

## A TRYING POSITION Akron Readers Will Appreciate This Advice

A constant itching tries your patience. Nothing so annoying. Nothing so irritating. As itching piles or eczema. To scratch the irritation makes it worse.

To leave it alone means misery. Some Akron people can tell you how to be free from these troubles. Read the following:

Mrs. M. J. Vesley, of 121 East North st., says: "Doan's Ointment is the greatest remedy to remove soreness that I ever used. I had a healed bunion that caused me any amount of suffering. I could hardly put my foot on the floor, and every step caused acute pain. I used Doan's Ointment, sold at Lamparter & Co's drug store, and obtained immediate relief. I tried a great many remedies but nothing equalled Doan's Ointment. Whenever I feel any soreness I always resort to this preparation and it has never failed me. I am not surprised that people are finding out its merits."

For sale by all dealers. Price 50 cents. Foster-McIlhenn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name Doan's and take no substitute.

## BAD NAMES

### And Stone Throwing in Police Court Allegations.

Jas. Croft and his daughter, Mary Croft, of Barberton, pleaded not guilty of assault and battery on William and Betty Helke in Police court, Tuesday. The case was continued until next Tuesday. The Crofts were allowed to go on their own recognizance.

It is alleged that Miss Croft struck the Helke woman and called her names, and it is also alleged that Croft threw stones and cans at the Helkes. All the parties live in Barberton. Croft and his family live on a canal boat.

### Surgeon's Knife Not Needed.

Surgery is no longer necessary to cure piles. De Witt's Witch Hazel Salve cures such cases at once, relieving the necessity for dangerous, painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits.

### Could Not Breathe.

Coughs, colds, grip, croup, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucus, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once.

"One Minute Cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood, Crosby, Miss. My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family."

### CHICAGO MAKES HENRY WELCOME

(Continued from first page.)

In a few minutes the "Prince Henry" of last night was "Unser Heinrich" among the enthusiastic congregation of German-Americans. Every precaution had been taken for the safety of the royal guest. The club house had been rigidly inspected from basement to garret hours before the arrival of the Prince. After the inspection, up to the time the Prince set foot in the club house, not even members were allowed to enter without special cards of admission. Of all such persons, a record was taken. The cavalry escort which had accompanied the Prince from the Auditorium drew up in front before the Prince alighted from his carriage. A detachment of police restrained the curious crowds while detectives in citizen dress were sprinkled about the streets, leading to the club in order to guard against any suspicious characters going within even shouting distance of the Kaiser's brother.

## TANNER'S STORE NEWS

We secured yesterday a small lot of 20 boxes California "Ruby Blood Oranges." These oranges are small in size, but that is their nature. In the large markets they are commanding high prices and are considered very fine little oranges, have only from two to three seeds in each orange, and color of them is fine, some being tinged with red, while others are nearly a full red color.

There is just enough snap in a "Ruby Blood Orange" to give it a delightful taste. It is a great appetizer. Try this idea once. It has been suggested by some of our most learned doctors and is practiced in a few of the

great health sanitariums. Eat a nice orange in the morning, just after getting up (don't wait until you get to the breakfast table), then see if it doesn't make you enjoy your breakfast a whole lot better. You can eat another one at the table if you like. (Just think of the price we offer them at.)

To see if our trade will like the "Ruby Blood Orange" we will put this lot on sale Wednesday morning at 11 cents per dozen. We will sell you all you want, and will deliver them with other goods, but not alone at this price. When the 20 boxes are out, the sale stops.
